

## Forest Management Plans

**Table 2 Management Activities, Programs, and Contacts for Selected Management Goals**

If your goal is:	Then the management activities to meet your goal might include	programs that might benefit you include:	The agency, organization, or contact for those programs:
Biomass production	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	Landowner assistance American Tree Farm System Call Before you Cut CAUV CSP EQIP FLP FSP OFTL	Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry; consulting forester Ohio Division of Forestry; Rural Action; consulting forester County auditor; consulting forester NRCS NRCS Ohio Division of Forestry Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry
Carbon sequestration	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	American Tree Farm System CAUV CRP- WRP CSP- EQIP- WHIP FLP FSP Landowner assistance OFTL	Ohio Division of Forestry; consulting forester County auditor; consulting forester FSA NRCS Ohio Division of Forestry Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry
Conservation easement	Tree planting; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	FLP  FSP Other conservation easements	Ohio Division of Forestry  Ohio Division of Forestry; Rural Action; consulting forester Land trust; consulting forester
Forest certification	Tree planting; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	American Tree Farm System  FSP	Ohio Division of Forestry; consulting forester  Ohio Division of Forestry; Rural Action; consulting forester
Hunting lease	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	Landowner assistance	Consulting forester or wildlife manager
Multiple use	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	American Tree Farm System CSP FSP Landowner assistance OFTL (w/ emphasis on timber production)	Ohio Division of Forestry; consulting forester NRCS Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry
Recreation	Tree and shrub planting; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	American Tree Farm System FSP  Landowner assistance	Ohio Division of Forestry; consulting forester Ohio Division of Forestry; Rural Action; consulting forester  Ohio Division of Forestry; Rural Action; consulting forester

If your goal is:	Then the management activities to meet your goal might include:	programs that might benefit you include:	The agency, organization, or contact for those programs:
Soil conservation	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; best management practices (BMPs)	CRP, WRP CSP, EQIP, WHIP  Landowner assistance	FSA NRCS  Ohio Division of Forestry; SWCD
Special forest products	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; best management practices (BMPs)	FSP  Landowner assistance	Ohio Division of Forestry; Rural Action; consulting forester  Rural Action; Ohio Division of Forestry; consulting forester
Tax savings	Tree planting; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	CAUV FSP OFTL Timber taxes	County auditor; consulting forester Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry Consulting forester; tax accountant; National Timber Tax Website
Timber production	Tree planting; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	Call Before You Cut CAUV CSP, EQIP FSP Landowner assistance OFTL	Ohio Division of Forestry, Rural Action County auditor; consulting forester NRCS Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry
Water quality	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs)	CRP, WRP CSP, EQIP, WHIP  Landowner assistance	FSA NRCS  Ohio Division of Forestry; SWCD
Wildlife habitat	Planting of trees, shrubs, and/or herbaceous plants; timber stand improvement (TSI); invasive species control; timber harvesting; best management practices (BMPs); other wildlife habitat management	CRP, WRP CSP, EQIP, WHIP FSP  Landowner assistance	FSA NRCS Ohio Division of Forestry; Rural Action; consulting forester Ohio Division of Forestry; Ohio Division of Wildlife; Rural Action, consulting forester or wildlife manager

**Abbreviations**

CAUV = Current Agricultural Use Value program  
 CSP = Conservation Stewardship Program  
 FLP = Forest Legacy Program  
 FSP = Forest Stewardship Program  
 OFTL = Ohio Forest Tax Law program  
 WHIP = Wildlife Habitat Incentives Program

CRP = Conservation Reserve Program  
 EQIP = Environmental Quality Incentives Program  
 FSA = Farm Service Agency  
 NRCS = Natural Resources Conservation Service  
 SWCD = Soil and Water Conservation District  
 WRP = Wetlands Reserve Program
