

As an organization that is aware of the importance of reducing waste for a healthy environment,  
a healthy economy and healthy lives,  
**we pledge to strive for ZERO WASTE.**

Over the next 3 months, we hope to accomplish these 3 goals:

- Compost straw wrappers, sugar packet papers, napkins, coffee bags, and paper towels
- Recycle plastic bags and whip cream cans
- Start a campaign to encourage customers to bring in their own mugs and encourage customers to use sugar dispenser instead of packets

Over the next 6-12 months, we hope to accomplish these 3 goals:

- Abstain from printing customer receipts
- Start recycling milk cartons
- Convert to 100% recyclable coffee lids and water filters
