

As an organization that is aware of the importance of reducing waste for a healthy environment, a healthy economy and healthy lives,

We pledge to strive for ZERO WASTE.

Over the next 3 months, we hope to accomplish these 3 goals:

- Improve all signs and recycling bins at the auction.
- Construct a compost system and use it to capture food scraps and educate at school day at the CPA.
- Implement reusable service ware and a 3 bay washing system for potlucks hosted by CPA.
