The CPA was opened in 2005 to create a friendly destination for fresh local produce sales. Products are available in sizes to please every customer—from cafeterias, to households, to restaurants, to road side stands. Auctions generally end within two hours. Our Country Store features baked goods, local crafts, maple syrup and more! Our Country Cooking Cart features homemade sandwiches and snacks. Our second Saturday Auctions run from March through December and feature livestock, locally crafted wood products, and seasonal produce. Consignment Auctions featuring tools, wood products, furniture and more are held in April and November. Auctions are absolute with Auctioneers Mike Nichols and Tonya Dodd. A 16% commission is charged to the sellers.

Rural Action is a membership-based non-profit working to revitalize Appalachian Ohio. The CPA is currently owned by Rural Action and is managed with community and farmer participation. Volunteers are vital to our success. Please contact us if you are interested in volunteering.
