

As an organization that is aware of the importance of reducing waste for a clean environment, a vibrant economy, and healthy lives,

WE PLEDGE to strive for **ZERO WASTE**.

Over the next year, we plan to accomplish these 3 goals:

- Place additional recycling collection bins around the Riecker Building to encourage recycling.
- Place signs at bin sites that inform about what should and should not be placed in these bins.
- Host a training session at the Riecker building to inform building tenants and the public about recycling including some do's and don'ts regarding recycling in Morgan County.
