

As a church that is aware of the importance of reducing waste for a clean environment, a vibrant economy, and healthy lives,
WE PLEDGE to strive for **ZERO WASTE**.

Over the next year, we plan to accomplish these 3 goals:

- Place recycling bins in key areas of the church with clear signage.
- Compost paper towels and tissues from the restrooms and kitchen.
- Change language in the facilities usage form to strongly encourage zero waste practices from outside groups.
