As a business that is aware of the importance of reducing waste for a clean environment, a vibrant economy, and healthy lives, WE PLEDGE to strive for ZERO WASTE.

Over the next year, we plan to accomplish these 3 goals:

- Adopt a system that allows for bulk sales of coffee beans in order to reduce the use of pre-packaged coffee beans sold in plastic lined bags.
- Offer reusable coffee tins for sale to customers so that they can easily take advantage of your bulk sales with reusable containers.
- Add additional recycling bins in the production facility to create additional opportunities to recycle.
