## CHANCE TO WIN A FREE SEPTIC PUMPING

WINNER ANNOUNCED DURING  
MEETING ON APRIL 22ND

## WE WANT YOUR IDEAS!

Hey, we know that living in a rural area presents challenges for homeowners with septic systems, so we want to talk about it.

Join us for a discussion about the barriers you see and solutions to septic system maintenance in your community.

- Is your septic system operating properly?
- Do you have questions for the health department regarding maintenance?
- Are you interested in resources for septic owners?
- Want to learn more about available funding?

If so, let's talk from the comfort of your own home on Thursday, April 22nd! One lucky participant will win a free septic pumping.

**RSVP REQUIRED**
