

The Underground Railroad comes alive as you and your teammates seek clues that “Freedom Seekers” used. The compass said to head North and look for symbols to a safe place or a Conductor’s home.

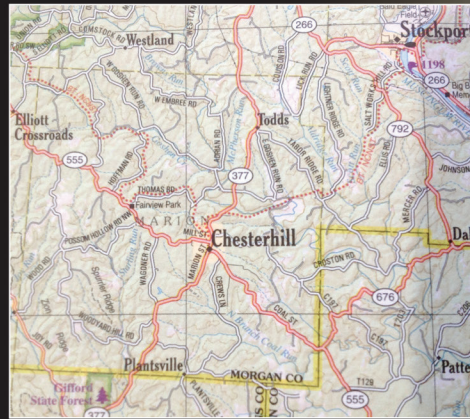

You will discover heroic people, both Black and White, who risked their lives to aid enslaved freedom seekers on their journey to freedom and better lives.

The Multicultural Genealogical Center is a non-profit organization that documents the contributions of multicultural and multiracial families to the social, cultural, political, religious, educational and economic development of the Ohio River Valley.
